November 2026 Knights Edition

November Shaping up to be a very active month ahead of ADVENT!

This October proved to be a VERY busy month for the Knights Council 18058. November looks to be even busier. We could use some extra help this month.

Beginning with the annual:

Tootsie Roll Sale

Knights of Columbus Tootsie Roll Drives benefit those with Disabilities. Knights sold after each of the Masses. All donations were made to help the cause. This year our goal is $500.00. This money is being donated to the Bob Brown House, a no-profit social services organization that provides safe independent living for adults with physical and mental disabilities since 1975 here in Lexington.

Whiskey Wagon Raffle-The Winner is…

Our Whiskey Wagon Raffle! This is always a fun fundraiser and a great way to support the work of our council. The tickets were $20 each; only 500 tickets available! Our top selling Knight was Kevin Cosby with over 100 tickets sold. Thank you, Kevin, for all the hard work.

The drawing will be held on November 14th at the Thanksgiving dinner.

Speaking of Thanksgiving Dinner:

The Knights are being asked to assist in set up and clean up on November 14th. If you can be there at 4:30 pm, your help will be greatly appreciated.
